FROM: AA/Director

SUBJECT: KSC 2002 Environmental and Energy Awareness Week

As you are aware, "Environmental Leadership" is a guiding principle of KSC operations. In continuing our commitment to our guiding principles and recognition of Earth Day, the KSC 2002 Environmental & Energy Awareness Week will be held on April 22-24, 2002. This year's theme is "Balancing Technology and Nature." The scheduled dates/locations are listed below:

- April 22 (Monday) – Opening/Awards Ceremony (10:00 a.m., Training Auditorium)
- April 23 (Tuesday) – Kickoff Activity (10:00 a.m., KSC Industrial Area/in front of HQ Building/tent area)
- April 23 (Tuesday) – Exhibits (9:00 a.m. - 3:00 p.m., KSC Industrial Area/in front of HQ Building/tent area)
- April 24 (Wednesday) – Exhibits (9:00 a.m. - 3:00 p.m., VAB Area/Parking Lot E)

The week's activities will include an Opening/Awards Ceremony that will feature an address by Mr. David Struhs, Secretary of the Florida Department of Environmental Protection. Additionally, an outdoor activity including exhibits, training, demonstrations, tours, and presentations will take place on both April 23 and 24. This is an excellent time to learn about our successes and learn what you can do to continue to foster environmental stewardship, energy conservation, and continual improvement through increased awareness. I encourage all of you to take part in the week's activities and to reemphasize our commitment to environmental leadership.

Preserving our environment for future generations is everyone's responsibility. This is a chance for all of us to renew our commitments and evaluate our activities by ensuring a safe and healthy work environment. I strongly encourage you to participate in these events to learn how you can contribute to a stronger and cleaner America through environmental stewardship and energy conservation.

Watch for future information on the schedule of events. For any questions on the 2002 Environmental & Energy Awareness Week, please contact John Ryan/TA-C3 at 867-8413, or Barbara Naylor/TA-C3 at 867-8452.
